

Measuring What Matters

NWEA Essential Reports Workshop
NMAA Building, Hall of Pride & Honor
6600 Palomas Avenue NE
Albuquerque, NM 87109
April 9, 2019

Agenda

8:30 AM - 9:00 AM - Welcome and Check-in
coffee provided

9:00 AM - 12:00 PM - Essential Reports for Administrators/Leaders
Learn to:

- access, interpret, and apply key MAP reports used by school and district administrators
- develop and nurture a culture of using data regularly to inform decisions
- help your team interpret and apply data by conducting powerful strength-based conversations
- make decisions that inform school improvement planning and resource allocation with MAP status and growth data

Recommended Audience:

This content is intended for staff members who will be applying MAP Growth data from teacher reports or supporting other staff members in the work. For the greatest impact, we recommend that participants include school and district leaders, data teams, school leadership teams, administrators, and assessment coordinators.

12:00 PM - 1:00 PM - Lunch Break
Lunch is on your own

1:00 PM - 4:00 PM - Essential Reports for Teachers
Learn to:

- access, interpret, and apply MAP reports used by teachers and instructional coaches such as the Teacher/Class Report and Class Breakdown Reports
- meet individual student needs by identifying targeted instructional groups based on MAP goal area performance data

- **boost differentiation efforts by connecting groups of students to skills in the MAP Learning Continuum**

Recommended Audience:

This workshop content is intended for staff members who will be applying MAP Growth data from teacher reports or supporting other staff members in this work. For the greatest impact, we recommend that participants include teachers, instructional coaches, data teams, school administrators, and assessment coordinators.
